

BARTON COUNTY DEMOCRAT.

WILL E. STOKES, Publisher.
OFFICE IN OPERA HOUSE BLOCK.

GREAT BEND, KANSAS.

The father and mother of Herbert W. Swift are both quite ill.

J. C. Gwinn's oldest daughter is quite sick with typhoid fever.

We understand work has commenced on the foundry at Hoisington.

Mr. S. McCay came in Monday, and is shaking hands with his many friends in the city.

The water mains are now mostly down on the Main streets, and rapidly going down all over the city.

Sam Rosenfeld is in the east for a few weeks, and in his absence Mr. Loeb has charge of his clothing business.

For a little while ye shall see her, and then again ye shall see her not, for, lo! and behold! she has got a New-master.

Mr. S. Gano, formerly of Virginia, who bought the Long place on the Walnut, is here and is expecting his family here in a few days.

H. M. Kline has been elected general manager of the electric light works, to take the place of Fred Stauffer, who resigned to go into business for himself.

Mr. W. Bolinger brought in some fine specimens of corn growing on his place, twenty-five miles southwest of this city. He has 250 acres which promise a good yield.

W. W. P. Clement is putting down handsome stone pavement in front of his block on west Broadway. More walks of this kind would add considerable to the appearance of our streets.

Mr. W. C. Bradshaw called at this office yesterday. He says that in his neighborhood they will have plenty of corn to feed, the coming winter. He says the Olmitz line works have done a good business.

Material is being hauled on the ground and the foundation commenced for one of the new school buildings. Morrison Bros. have the contract, and will push the work through as soon as possible.

Everybody has seen "Dad's Kid" at the post office. And everybody has admired the cute little darling. Henry Moss takes particular pride in the photograph, and well he may, for it is about the "cunilist" thing in its way that we have ever seen.

MARRIED—By Judge B. F. Ogle, at his office in this city, on Monday, August 8th, John Bles and Theodora Posey, all of this county. Also, at the residence of the bride in this city, on same date, Volney Ricketts to Sarah Nelson, both of Great Bend.

The Great Bend Gun Club has been reorganized, and we hope soon to learn of some crack shots. Jake Stauffer has put up a large pigeon house and will make quite an industry of raising pigeons for the club. Jake already has 300 pigeons as a starter.

The following are the names of those in attendance at the Institute to date:

Elnora Frey, Clara Alison, May Winterburg, Anna Harris, Rena Mowers, Ursula Benedict, Kittie Ostermeyer, Archie Reece, Louis Reece, Marie Wallace, Clara Lazarus, Lulu Worrall, Archie Caraway, C. P. My old reliable Santa Fe has quietly bought up property and gained a right of way into Chicago, until now she has a depot site in that city which surpasses any of her competitors.

An Artesian Well.
The following special appears in yesterday's Topeka Commonwealth:
FOWLER CITY, Kan., August 8.—Great excitement prevails here this morning over the discovery of a flowing well on the farm of B. F. Cox, four miles west of this place. The well had reached a depth of 150 feet when the artesian vein was struck. The water is clear and sparkling and is flowing about 5,000 barrels per day. Other wells will be immediately sunk.
Should not this be an inducement to our people to push ahead with the gas well project? Just think! 5,000 barrels of water per day, at the expense only of boring into the ground 150 feet. We tell you again and again that the money spent in boring for natural gas will, in the opinion of many of our best citizens, result in good to our city.

FROM CLARENCE.
One hundred and five degrees in the shade on the 29th.

We had a nice shower Thursday morning.

Everybody is cutting up his corn fodder.

Frank, you shouldn't scare a fellow that way.

The threshing engine's whistle is heard in the land.

Mr. G. Beye was over from Rush county this week visiting.

Mr. F. B. Henry, of Ohio, is calling on Clarence friends.

Revised edition of a stale chestnut: "Is it dry enough for you?"

DEED—On the 24th ult., Mrs. Fred Gabbart, aged 30 years and 3 months.

A new wind mill at Mr. F. P. Cline's place is the latest improvement.

Parties were up from Larned last week gathering plums from the Dry Walnut.

Frank Klumisky took a flying trip to Rush county last Sunday to see his best girl.

Mr. and Mrs. W. Culverton and daughters, Mary and Lena, of Larned, were the guest of Mr. and Mrs. C. Reeder last Thursday.

THE GREAT REGULATOR
SLR
PURELY VEGETABLE.

Are You Bilious?
The Regulator never fails to cure. I most cheerfully recommend it to all who suffer from Bilious Attacks or any Disease caused by a disarranged state of the Liver.
KANSAS CITY, MO. W. R. BERNARD.

Do You Want Good Digestion?
I suffered intensely with Full Stomach, Headache, etc. A neighbor, who had taken Simmons Liver Regulator, told me it was a sure cure for my trouble. The first dose I took relieved me very much, and in one week's time I was as strong and hearty as ever I was. It is the best medicine ever taken for Dyspepsia.
RICHMOND, VA. H. G. CRENSHAW.

Do You Suffer from Constipation?
Testimony of HIRSH WARNER, Chief Justice of Ga.: "I have used Simmons Liver Regulator for Constipation of my Bowels, caused by a temporary derangement of the Liver, for the last three or four years, and always with decided benefit."

Have You Malaria?
I have had experience with Simmons Liver Regulator since 1865, and regard it as the greatest medicine of the times for diseases peculiar to malarial regions. So good a medicine deserves universal commendation.
Rev. M. B. WHARTON,
Cor. Sec'y Southern Baptist Theological Seminary.

Do You Feel Good for Nothing?
For some time my Liver has been out of order, and I felt generally good for nothing. I was induced to try Simmons Liver Regulator. Its action was quick and thorough. It is not unpleasant; it aids in its action, and is an excellent remedy.
MONROE, IOWA. J. R. HILAND.

Are You Subject to Sick Headache?
I use Simmons Liver Regulator, and it has relieved me of all my troubles, caused by Constipation. It is a most reliable remedy without hindering the regular functions of the system.
DAN MONROE, IOWA. W. W. WITMER.

Safer and Better than Calomel!
I have been subject to severe spells of Congestion of the Liver, and have been in the habit of taking from fifteen to twenty grains of calomel, which generally laid me up for three or four days. I have been taking Simmons Liver Regulator, which gave me relief without any interruption to my business.
MIDDLEPORT, OHIO. J. HUGG.

Mr. Chairman,
Ladies and Gentlemen:
We arise to say that Kansas still booms and that Barton county is still in the van.
Great Bend has the largest

HARDWARE,

Implement,
Jewelry and
Carriage House,

Occupying more square feet of floor room than any other house in the state of Kansas.

We speak of the house of G. N. & E. R. Moses—who occupy for their shelf hardware, stoves, tin, copperware, sewing machines, watches, clocks, jewelry, silverware and musical instruments, a three story brick and stone building 25 x 140 feet, another three story stone building 22 x 42 feet. For their implement, carriage, pump and plumbing goods a new two story brick building 63 x 86, another two story iron building for their barb wire, plows, harrows, etc., 40 x 75 feet. No firm in the state have their different departments more elegantly fixed up and systematically arranged than G. N. & E. R. Moses. Their main store room is a paragon of neatness and beauty and their offices as finely furnished as any bank. These parties aim to make things around them as pleasant for themselves and customers as can be made. Their shelf hardware department is just newly painted and shelved from floor to ceiling. Their jewelry department is resplendent with all new wall and counter cases of latest designs. As to the stock of goods they carry, we will compare it favorably with any carried in any town five times the size of Great Bend. They have just put in the rapid transit cash system and intend to keep up with the times in any thing that is for the benefit of their business, for we do not believe you will find two men more in love with their business than G. N. & E. R. Moses and to please their customers is their constant study.
